

## IT'S TIME TO GET HEALED

KENNETH COPELAND

### DAY 1 – YOU DON'T OWN SICKNESS

The mighty Holy Spirit is ready to heal you. There are laws of healing. The prescription for healing is to pay attention to God's WORD. God's thoughts are higher than your thoughts.

#### STUDY IT

- I. The mighty Holy Spirit is ready to heal you. He is the Comforter and Standby.
  - There's no time nor distance in the realm of the spirit.
    - The Holy Spirit is here and all over the world—in Thailand, Beijing and China—ready to heal you.
  - The nobleman's son was healed even though Jesus was miles away. Jesus just spoke The WORD (see John 4:50-53).
  - The Holy Spirit's presence is here. You can be healed today if you will receive it.
  - Some people may say, "I just don't know if it's God's will to heal me."
    - Jesus said, "I came to do My Father's will" (see Luke 2:49). Jesus healed when He was on the earth. It's His will to heal you now.
  - God's WORD does not return to Him without accomplishing what He sent it for (see Isaiah 55:11).
  - God's WORD returns to Him when we pray His will. Pray The WORD.
- II. There are laws of healing.
  - People can receive their healing, and they can lose their healing.
  - The same lack of faith and unbelief that made someone sick in the first place can come back and steal their healing.
  - It's important to stay in The WORD, keep your healing, and resist the devil when he tries to come back. The devil will do his best to steal (see John 10:10).
  - People will ask you to pray for *their* arthritis. As long as they own it, The LORD cannot heal them from that problem.
    - Be aware that the sickness, heart attack or disease belongs to Jesus.
    - He bore it on the Cross; He took it to hell and paid the price for your healing. It's not yours!

- III. The prescription for healing is to pay attention to God's WORD (see Proverbs 4:20-23).
- Put God's WORD first place in your life.
  - Bad things happen to good people because good people make bad choices. They don't choose to make God's WORD final authority in their lives.
  - Thank God for good doctors. They're God's agents fighting the same sicknesses and diseases that Jesus bore.
  - The most important thing is to put your eyes on and believe God's WORD.
  - The benefits of believing God are stronger than taking medicine.
  - Take your benefits by reading and believing God's WORD (see Psalm 103:1-5).
  - Jesus preached in Nazareth, but no mighty works were done because of the people's unbelief (see Matthew 13:58).
- IV. God's thoughts are higher than your thoughts (see Isaiah 55:8-9).
- Thinking God's thoughts can make you as smart as Jesus. We have His thoughts. We have the mind of Christ (see 1 Corinthians 2:9-10, 16).
  - Jesus, by the age of 12, was completely involved in the work of His Father (see Luke 2:49). Jesus had the Holy Spirit living in Him, and His Spirit is living in you.
  - We have every thought that Jesus had recorded in the Bible.
  - That's the reason it's so important what you think all the time. What you think is what you become.

## MAKE IT PERSONAL

Jesus bore your sickness and disease. Listen to your own words and refuse to take ownership of the devil's work in your life.

Become the "word-police" over your own conversation. If possible, get a "faith buddy" to help you speak God's WORD rather than idle conversation. Write phrases you hear yourself say, and what phrases you can use to replace them.

### DAY 2 – SUBMIT YOURSELF TO GOD'S WORD

We have healing benefits. Oral Roberts' book: *Don't Give Up! Jesus Will Give You That Miracle You Need!* details miracles. Spiritual laws are put in motion by your words. Examine your thoughts and your words.

### STUDY IT

- I. We have healing benefits.
  - God satisfies my mouth with good things—with good words (see Psalm 103:5).
  - The writer is talking to his mind, his will and his emotions. He's talking to himself with good words.
- II. Oral Roberts' book: *Don't Give Up! Jesus Will Give You That Miracle You Need!* details miracles.
  - As a young man, Oral Roberts stuttered and withdrew from others.
  - He almost died of tuberculosis, but God healed his lungs. He never stuttered again.
  - Bob DeWeese, Brother Roberts' airplane pilot, had a massive heart attack and went to heaven.
    - Brother Roberts prayed and Bob's granddaughter said to him, "You didn't pray a miracle. Pray a 'tent prayer' for my grandfather."
    - Brother Roberts went back, prayed a powerful prayer, and Bob came back to life.
    - Bob told his wife, Charlotte, "Why did you bring me back? Heaven is wonderful!"
  - No matter what age a person is, don't grieve over them if they die. They are in heaven!
- III. Spiritual laws are put in motion by your words.
  - God fills my mouth with good words (see Psalm 103:5).
  - His words created all things (see Hebrews 11:3).
  - Your words are important. They set the course for your life and death.

- It matters what you say all the time. It matters what you think.
- Brother Kenneth E. Hagin told of a young man who said, "I will never reach age 40."
  - He died two months before his 40th birthday. What the man said is what he thought.

IV. Examine your thoughts and your words.

- Satan comes to steal God's WORD. He is a thief.
  - If he can steal God's WORD, then he can kill and destroy.
  - Talk back to the devil. Don't let the devil steal The WORD. Don't let him think your thoughts for you. Resist him and he'll flee.
- The Bible says submit yourself to God, resist the devil and he will flee as if in stark terror (see James 4:7).
- Submit yourself to God by refusing to think the devil's thoughts.
- Say: "I am not thinking that, satan. I'm thinking healing words, love words, love thoughts and faith thoughts."
- The devil is afraid of the Name of Jesus. He has no defense; Jesus took all of his keys.

## MAKE IT PERSONAL

Examine your thoughts and words every day and compare them to God's WORD.

Make this declaration every day:

*"I think the thoughts of God. I speak the words of God. I guard my mind and heart and refuse to speak doubt or unbelief. I choose to say nothing rather than speak anything against God's WORD. In Jesus' Name. Amen!"*

### DAY 3 – FINDING HEALING IN PSALM 91

The angels listen for and obey God's WORD coming out of your mouth. You can have a life worth living even through old age. Psalm 91 is called the soldier's Psalm. It's absolutely important to read Psalm 91 out loud.

### STUDY IT

- I. The angels listen for and obey God's WORD coming out of your mouth.
  - "Bless The LORD, ye his angels, that excel in strength, that do his commandments, hearkening unto the voice of his WORD. Bless ye The LORD, all ye his hosts; ye ministers of his, that do his pleasure" (Psalm 103:20-21).
  - There are angels wherever you are.
- II. You can have a life worth living even through old age.
  - "The LORD is gracious and full of compassion, slow to anger and abounding in mercy and loving-kindness. The LORD is good to all, and His tender mercies are over all His works [the entirety of things created]" (Psalm 145:8-9, *AMPC*).
  - Keep His commandments with your whole heart.
- III. Psalm 91 is called the soldier's Psalm.
  - A commander in World War I taught his troops to quote Psalm 91.
    - He had 300 men who returned home miraculously with no casualties, no one killed and no one wounded.
  - Brother Copeland had a friend who was a military commander of special forces. They were being deployed.
    - The commander taught his troops to quote Psalm 91 to the point they could quote any verse on command.
    - When they came back home, the commander called Brother Copeland and shouted, "It worked!" Everyone in his unit was safe.

IV. It's absolutely important to read Psalm 91 out loud.

- “I will say of The LORD, He is my refuge and my fortress: my God; in him will I trust. Surely he shall deliver thee” (Psalm 91:2-3).
  - Surely He will deliver me. Surely He will deliver you from COVID-19 before you get it, if you get it, after you get it—you're delivered.
- “A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee” (Psalm 91:7).
- To benefit from this promise, you have to know it, believe it, quote it and stand on it, not one time, but all the time.
- Walk in, read, study and believe Psalm 91, and *stay* well.
  - Wellness is different than healing. Wellness is when you don't need healing.
- “Neither shall any plague come nigh thy dwelling” (Psalm 91:10).
  - No cancer plague, no COVID plague, no disease plague, no bubonic plague, no Ebola plague will come nigh your dwelling—unless you open the door to these.
- “Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name. He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him. With long life will I satisfy him, and show him my salvation” (Psalm 91:14-16).

## MAKE IT PERSONAL

Psalm 91 contains all the promises you need to stand for healing. Break down this Psalm into at least four promises God has made to you for healing and help.

### DAY 4 – WHAT IS GREAT FAITH?

Moses cried out to God for the disobedient children of Israel. Jesus gave instruction to the rich young ruler on how to obtain eternal life. Our faith and our prayers must acknowledge the Lordship of Jesus. The Syrophoenician woman said the same words, "Jesus, Son of David, have mercy on me." Take these instructions on how to get healed and stay healed.

### STUDY IT

- I. Moses cried out to God for the disobedient children of Israel (see Psalm 90:7-10).
  - The people were dying at age 60 or 70. They should not have been dying that young.
  - God had already said people should live to be 120 years (see Genesis 6:3).
  - Abraham lived to be 175. After Sarah died, he had six more children (see Genesis 25:1-7).
  - God needs older folks with the anointing that comes at each new decade. The purpose of a long life is to preach the Word of Faith.
- II. Jesus gave instruction to the rich young ruler on how to obtain eternal life.
  - "Jesus said unto him, Thou shalt love The LORD thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbour as thyself. On these two commandments hang all the law and the prophets" (Matthew 22:37-40).
  - It's up to us to follow what Jesus said. We are to love The LORD our God with all our heart, mind, soul and strength.
    - *Strength* is referring to your wealth, your voice, your testimony, your witness and all your strength.
- III. Our faith and our prayers must acknowledge the Lordship of Jesus.
  - Bartimaeus, a blind man, said, "Jesus, Thou son of David, have mercy on me" (Mark 10:47).
    - If Bartimaeus had been speaking Hebrew, he would have said, "Jesus, Messiah, have *chesed* on me."
  - Jesus asked Bartimaeus, "What would you have me do for you?" (Mark 10:51).

- Bartimaeus had to say what he wanted Jesus to do.
  - Bartimaeus was a Jew. He had the right to call on Jesus the Son of David.
- IV. The Syrophoenician woman said the same words, "Jesus, son of David, have mercy on me" (see Matthew 15:22-28).
- Jesus didn't answer. She was not a Jew.
  - She wasn't part of the Jewish covenant, but she got Jesus' attention.
    - She fell on her face and called Him LORD.
  - Jesus said, "It's not right to give the covenant children's bread to the dogs."
  - She worshipped Jesus and said, "You're right."
  - Jesus said, "Woman, for that saying, your daughter is well." She had great faith (see Matthew 15:28).
    - Great faith is holding on and not giving up until your prayer is answered.
- V. Take these instructions on how to get healed and stay healed (see 1 Thessalonians 5:12-22).
- Be thankful. Abstain from all appearance of evil. That will keep you well.
  - People who believe are being healed here and online: in Bangladesh, Thailand, Singapore, Germany and Switzerland right now.
  - Don't say things that are not faith words. Prove all things with The WORD.
  - When you understand and you know what God is speaking to you in His WORD, then it's settled.
  - Keep your whole spirit, soul and body blameless until the coming of The LORD Jesus Christ. Faithful is He who calls you and also will do it (see 1 Thessalonians 5:23-24).
  - Say it: "The LORD is faithful and He will do it."

## MAKE IT PERSONAL

Like the Syrophoenician woman, you can exercise great faith. Just don't give up until your prayer is answered.

Write your request here, and don't stop believing and speaking!

### DAY 5 – PUT FAITH IN ACTION FOR HEALING

We're going to focus on staying well. God is giving out healing in wheelbarrow loads. If you believe this gospel that has been preached to you, and you are ready to receive the power of God to salvation, stand up.

### STUDY IT

- I. We're going to focus on staying well.
  - In everything, give thanks (1 Thessalonians 5:18). It wasn't the will of God that a problem happened to you, but it's the will of God for you to give thanks for deliverance.
  - Brother Copeland broke his toe by kicking an ottoman in the dark. Rather than complain, he thanked The LORD that his toe was healed.
    - Jesus is the Healer, and the next day his toe was healed.
  - Brother Copeland went to purchase an airplane. He gave the owner \$5,000 and said he would be back when God gave him the rest of the money.
    - Brother Copeland went home and the money was there waiting for him.
    - He turned around, went back to the airport, and finalized the purchase of the plane.
    - The owner said, "Jesus is giving out money in wheelbarrow loads!"
- II. God is giving out healing in wheelbarrow loads. Check yourself out.
  - Speak faith words. Prove all things with The WORD of God.
  - Always stay on the God side of everything.
  - Brother Copeland is completely well today because of God's WORD. His heart's well today because he believed and spoke The WORD of God.
    - God told Brother Copeland, *I have given you a new heart.*
    - He takes corresponding action. He exercises on the treadmill.
    - Brother Copeland declared day after day that he had a new heart. God will do it. God has done it. Use your faith.

- III. If you believe this gospel that has been preached to you, and you are ready to receive the power of God to salvation, stand up.
- If you can't stand up, stand up on the inside.
  - In Jesus' Name, take authority over all sickness and disease, and every demon.
  - Make this healing confession: "Jesus Christ is LORD over my life. I receive the power of God to make me sound, whole and delivered. I act on The WORD of God. Sickness, disease and pain, I resist you in the Name of Jesus. I will not tolerate you in my life. Leave my presence! My days of sickness and disease are over. I am healed. The power of sickness has been broken. Jesus bore my sickness, weakness and pain. I have been redeemed from the curse of the law. I proclaim my freedom. I am made whole in Jesus' Name."
  - Do something to prove to yourself you are healed. We call it corresponding action.
    - Bend over. Move your arm. Do what you couldn't do before. Healing is yours.
