### DAY 1 – HOW TO OVERCOME THE SPIRIT OF GRIEF

Grief has no place in our lives. It's so easy for a believer to be absent from the body. Divine healing is a spiritual thing, and it spills over and becomes natural healing.

#### STUDY IT

- I. Grief has no place in our lives (1 Thessalonians 4:13).
  - *Sorrow* comes from the Greek word *grief*.
  - Don't tolerate the spirit of grief in your life.
    - Grief can bring sickness and disease because grief is the companion of death.
    - Grief is a killer. Stop it right now in the Name of The LORD Jesus Christ of Nazareth.
  - First words count.
    - Bind the spirit of grief and the spirit of death. Say, "I rebuke you, spirit of death and fear, in the Name of Jesus. I plead the blood of Jesus; now you leave (Isaiah 43:25).
  - Begin to think life thoughts instead of grief thoughts.
- II. It's so easy for a believer to be absent from the body.
  - It's like taking off your coat. There's no life in the coat unless it's on you. You are the life of that coat.
  - Don't assume your loved one is not in heaven. Those last few seconds, he or she may have received Jesus as LORD.
    - A woman kept witnessing to her husband, and he'd laugh her off. Eventually, the man died from a heart attack.
    - Before he died, he had never confessed Jesus as his LORD in front of his wife.
    - God gave him the opportunity to come back to earth and live longer as a Christian.
    - If he hadn't come back, she would not have known he was saved until she got to heaven.

- III. Divine healing is a spiritual thing, and it spills over and becomes natural healing.
- There's healing and joy in knowing who you are in Christ Jesus, and that healing belongs to you.
  - Once you confess sin, it's gone. Don't bring it back up to God.
  - We've overcome the spirit of grief, the devil, principalities and powers, rulers of the darkness of this world, and wicked spirits in the heavenlies, by the blood of the Lamb and the word of our testimony (Revelation 12:11).
  - The normal lifespan of man should be 120 years (Genesis 6:3).
    - In the book of Leviticus, Moses talks about food—what we shouldn't eat and why.
    - He's setting us up for a 120-year healthy life without sickness or disease.
  - Make this declaration: "My mind is my mind. I think what I choose to think, and according to God's WORD, I think His thoughts."

## MAKE IT PERSONAL

Start becoming aware of the difference between the spirit of grief and sadness. Call grief what it is. Rebuke it and resist it in Jesus' Name.

Write what you will say to remove the spirit of grief from your life.

### DAY 2 – STRIFE KILLS, BUT LOVE HEALS

Strife is a killer. It will make you sick and keep you sick. Think good thoughts and love thoughts about others. Dr. Avery Jackson, an expert neurosurgeon, is on Kenneth Copeland Ministries' board of directors. Enjoy hearing about several people known by Brother Copeland who have received miraculous healings and encounters with God.

### STUDY IT

- I. Strife is a killer. It will make you sick and keep you sick.
  - Our physical bodies were made by the God of Love. We are wired to respond in love.
  - "The weapons of our warfare are not carnal [human] but mighty through God to the pulling down of strongholds" (2 Corinthians 10:4-6).
    - A stronghold is not a bad thing if that stronghold is The WORD of God.
  - "Cast down high imaginations...when your obedience is fulfilled."
  - Don't look on the outward appearance. Surround the situation with faith and love thoughts. Develop a grateful heart.
- II. Think good thoughts and love thoughts about others.
  - *Believer's Voice of Victory* had a contract with a specific TV network.
    - Brother Copeland wanted to leave that network, especially when VICTORY Channel™ became available.
    - Instead of becoming critical of them, Brother Copeland waited on The LORD for permission.
    - At the right time, KCM wrote a lovely letter to that network ending the contract, and they wrote a lovely letter back. The relationship was saved.
  - Being critical doesn't change anything.
- III. Dr. Avery Jackson, an expert neurosurgeon, is on Kenneth Copeland Ministries' board of directors.
  - He and Dr. Caroline Leaf have shared from their scientific expertise that strife will scramble your brain.

- Strife thoughts and words going down through all of those nerves will kill you at a young age.
- If there's someone in your life who causes strife, see that person as free.
  - Make this declaration: "LORD, I surround them with Your Love. I see them through Your eyes. Right now, while I pray, I forgive them, and I will never touch that with my thought life again. I bring those thoughts into captivity according to The WORD and in Your Love, Jesus, they are forgiven forever."

IV. Here are accounts of people known by Brother Copeland who received miraculous healings and encounters with God.

- A man had a bad heart. He woke up in the night. A being (it looked like a man) had his hands inside the man's chest. The man woke up the next morning, and his heart was completely well.
- A man was accidentally shot. The bullet destroyed his elbow. The doctors put in a mechanical elbow, but he was in a lot of pain. He woke up one morning and the mechanical device was lying there in the bed outside of his body.
- A man came home from a church service in Africa and found blood in front of his door. The police were already involved. A man had tried to break into the Christian man's house. The man said someone had cut him, but there wasn't anyone else there. It must have been an angel. He couldn't break into that house.
- A young man broke into a church and stole their equipment. They began to pray for the thief saying, "We ask You, LORD, to forgive him and send angels across his path with The WORD of his deliverance; and we love him." The thief called the police and said, "Come and get this stuff!" The church went there and got him saved. That's the Love of God.
- A group of young people entered a church. They didn't look good or smell too good. Brother Copeland preached on the Love of God and faith works by love. Some people from the congregation brought them to their homes, loved and fed them and ministered to them. When they all returned to church that evening, one young person said, "I would like to announce that Jesus Christ is now my Savior. Thank you!"

## MAKE IT PERSONAL

Pray with us:

"Heavenly Father, I know that strife will destroy everything in and around my life. Thank You for protecting me this far. Please point out to me when I am in strife, and when I am speaking words of strife that will actually hurt me and others around me. I trust You to help me in this area. I choose to be corrected and to change. Thank You, Sir. I pray this in Jesus' Name. Amen."

### DAY 3 – FAITH TO BE HEALED

The Healer is living on the inside of you if you are a believer. Jesus is the Healer. Healing begins with faith.

### STUDY IT

- I. The Healer is living on the inside of you, if you are a believer.
  - Blood disease, leukemia, high blood pressure, any contamination of blood, or something wrong with your arteries or varicose veins are being healed right now.
  - Make this confession: "Jesus bore my leukemia; therefore I don't have it!"
    - A woman who had leukemia came to a healing service held by Billy Burke. She received prayer and then went home.
    - When she woke up the next morning, her bed was covered in blood. She took her robe and went to the doctor, who checked the blood on her robe. It was full of leukemia. Then, he checked her blood, and it was totally clear of leukemia.
  - God's no respecter of persons (Acts 10:34). He can do it for you!
  - The moment Jesus Christ was raised from the dead, you were healed.
- II. Jesus is the Healer.
  - Someone who has arthritis in your back, receive your healing.
  - Someone has pain right below the shoulder. Raise your arm. Do something you couldn't do, because the Healer is in the house.
  - Eyes are being healed. The anointing will cause recovery of sight to the blind (Luke 4:18).
    - If you're believing for your eyesight to be healed, don't throw your glasses away.
    - Say, "I thank You, LORD, that my eyes are healed!"
    - A certain lady thanked The LORD that her eyes were healed every day for nine months. One day it happened. Suddenly her eyes were perfect.

- Brother Copeland wears hearing aids. The time will come when he won't need them.
- The LORD Jesus bore bad hearing, ruptured ear drums, inflammation and infection of the ears, in His own body on the tree, so we would have good hearing.
  - Put your hands over your ears, and speak this confession: "I'm a believer. I lay my hands on my ears and I fully expect my ears to recover, now, in the Name of Jesus. My hearing is perfect, in Jesus' Name."
- Peter's mother-in-law was healed of a fever (Matthew 8:14-15).
- Jesus rebuked fevers.
  - Fever can hear. Leprosy can hear. Trees can hear—remember the fig tree.
  - Your body can hear. Your words resonate down through every nerve in your body.

### III. Healing begins with faith.

- Brother Copeland had a white cancerous spot on his hand.
  - He called on the elders of the church (James 5:14-16). Pastors George and Terri, Gloria and her friend laid hands on him.
  - The prayer of faith shall save (heal) the sick, and he was healed.
  - Later Brother Copeland went to another specialist. There were no more cancer cells there.
- If someone gives you a report of cancer, don't get upset about it. One of the worst things you can do is say, "Oh no, I'm going to die."
- Jesus heals cancers when we ask by faith.
- Get over into that place where you're not worried and don't carry the care!

## MAKE IT PERSONAL

What you think about prompts your words, and your words direct your life. Spend a lot of time reading God's WORD and the accounts of people who were supernaturally, divinely healed.

Start a list of people in the Bible who were healed, and meditate on their experiences. Soon you'll have your own miraculous healings to report.

### DAY 4 – BELIEVE THE WORD, RECEIVE YOUR HEALING

God knows your life better than you do. The WORD of The LORD endures forever. We do what's right according to God's WORD.

#### STUDY IT

- I. God knows your life better than you do.
  - He will take care of all your worries, kinfolks, business and future.
    - You have to tell your mind what to think and your mouth what to say.
    - Tell your body what to feel and what not to feel.
    - You have to tell fear to take a hike.
    - Tell sickness and disease, "Get out! I deny your right to live in my body!"
  - If Jesus bore your sickness and pain, you don't have any business with it!
  - Jesus cast out the spirits with His WORD and healed all who were sick.
  - God sent His WORD and healed them (Psalm 107:20).
- II. The WORD of The LORD endures forever (1 Peter 1:25).
  - A hypocrite says one thing and does another. He says he's healed but believes he's sick.
  - You say you're healed because God's WORD says you are healed. Don't speak the symptoms.
  - Believe that by Jesus' stripes you *were* healed (1 Peter 2:24).
    - Just hoping will not bring healing. Jesus is the Healer.
  - Get into a place of agreement with God's WORD with your faith *and* your words.
  - God will heal your finances.
  - There's healing in being out of debt.
  - Should a poor man tithe? Absolutely. In fact, tithe first.
- III. We do what's right according to God's WORD.
  - Take the time to do everything correctly.
  - Make your word good. If you say you'll be there at 3:00 and don't show up until 4:20, say, "Forgive me for lying. I could have been here."
  - All of this correction has to do with your healing.

- Don't stumble at The WORD of God. Don't be disobedient.
  - If you've been disobedient to The WORD lately—repent!
  - Abraham stumbled not at The WORD of God. He gave God glory, being fully persuaded. God did what He said He would do (Romans 4:20-21).

## MAKE IT PERSONAL

Have faith in God's WORD. That's what it means to believe. Then speak His WORD as if you already see it, because He has already done it in your life.

Write down one thing you are believing God for, then expect it, give thanks for it, and see it done. Keep your faith on God's WORD and it won't be long until you see it in the natural world.

### DAY 5 – TAKING AUTHORITY OVER ALL SICKNESS AND DISEASE

Refuse the spirit of fear and grief. We must keep the commandment of love. Take authority over all sickness and disease and receive your healing.

#### STUDY IT

- I. Refuse the spirit of fear and grief (Isaiah 53).
  - Grieving over the death of a loved one feels good emotionally, but it will destroy you.
  - Break the power of grief with the blood and the Name of Jesus.
  - If your husband has passed away, don't consider yourself a widow anymore. The LORD is your husband (Isaiah 54:4-5).
    - A widow remarked, "My husband always fixed everything." Her commode stopped working correctly, and she said, "Jesus, You're the husband of this house now; so fix it." It made a few noises and has worked perfectly ever since.
- II. We must keep the commandment of love.
  - If you love everyone, length of days and years of a life worth living shall be added to you (Proverbs 3:2, *AMPC*).
  - Psalm 91, the Soldier's Psalm, begins with the very fundamentals of faith.
    - "I will say of The LORD, He is my Refuge, my Fortress, my God; in Him will I trust.... Surely He will deliver me."
    - We have to say it first before we can receive it.
  - Brother Copeland has a close friend and Partner, Colonel Keith Kurber, who was being deployed to a high casualty area.
    - Brother Copeland told him to command every man in his unit to commit to memory, Psalm 91. None of his unit was killed on his watch. The soldiers not only memorized the words but also began to believe it was God who was protecting them.
  - You can do the same thing by speaking Psalm 91 over your life—including being satisfied with long life.

- The Soldier's Promise is also in the Bible.
  - You will return from war, and you will be guiltless before The LORD (Numbers 32:20-22).
  - That's the answer to those suffering from PTSD.
- III. Take authority over all sickness and disease and receive your healing.
  - Make this confession of healing:
    - "The gospel that I have heard is the power of God to my salvation. I confess Jesus Christ as LORD over my life, spirit, soul and body. I receive the power of God to make me sound, whole, delivered, saved and healed, now. I act on The WORD of God. I receive the power of God. Sickness, disease and pain, I resist you in the Name of Jesus. You are not the will of God for me. I enforce The WORD of God on you. I will not tolerate you in my life. Leave my presence. I will never allow you back. My days of sickness and disease are over. I am the saved and healed. Jesus bore my sickness, weakness and pain. I am forever free. I have been redeemed from the curse of the law. I proclaim my freedom in Jesus' Name. I act on the gospel and am made whole in Jesus' Name."
  - Act, praise, move, see, hear, do something you couldn't do before.
  - There's healing where you are and healing all over the world.
