DAY 1 – HOW TO ADD YEARS TO YOUR LIFE

You're supposed to be healed today. Moses wrote Psalms 90 and 91. Receive the protection and healing promised in Psalm 91. In Jesus' hometown, He marveled because of the people's unbelief. A good definition of faith is found in Hebrews 11:1, *Amplified Bible, Classic Edition*.

STUDY IT

- I. You're supposed to be healed today.
 - After an Oral Roberts' meeting, a little boy said to Brother Roberts, "I'm supposed to be healed today."
 - Brother Roberts laid hands on him, and he was completely, totally healed that day.
 - You're supposed to be healed, prosper and be in good health.
- II. Moses wrote Psalms 90 and 91.
 - In Psalm 90, Moses was crying out to God in intercession for the children of Israel who were dying at 70 and 80 years (verse 10).
 - Their lifespan should have been 120 years. That is the will of God (Genesis 6:3).
 - Every soldier should memorize Psalm 91, which promises protection.
 - A military field commander, Keith Kurber, was a longtime Partner of Kenneth Copeland Ministries.
 - Keith told Brother Copeland his men had been assigned to a dangerous mission.
 - Brother Copeland told him to instruct every man under his command to memorize Psalm 91 verse by verse.
 - His unit did, and they didn't have any casualties during the two years they were serving in Afghanistan.
- III. Receive the protection and healing promised in Psalm 91.
 - He that lives in the secret place of the Most High shall abide under the shadow of the Almighty (Psalm 91:1-4).

- Surely, He shall deliver you, Kenneth, from the snare of the fowler, from the noisome pestilence, plagues, COVID and pandemics.
 - He shall cover you, Kenneth, with His feathers.
 - Angels are involved. It's the angels who are carrying out the commands of the Father (Psalm 91:11-12).
 - Because Kenneth and Gloria have set their love upon Me, therefore will I deliver them (Psalm 91:14-16).
 - With long life will I satisfy them and show them My salvation—and that's based on 120 years.
 - Begin receiving your healing right now.
 - Declare: "Healing belongs to me."
- IV. In Jesus' hometown, He marveled because of the people's unbelief (Mark 6:6).
- They were offended at Him. They didn't have faith and didn't accept His teaching (Mark 6:3).
 - There, He could do no mighty works. He only healed people with minor ailments (Mark 6:5).
 - Most people think Jesus could do anything while He was on this earth, but He couldn't—not without faith. Faith is the great connector.
 - Jesus went around the villages teaching—that's the cure for unbelief—teaching.
- V. A good definition of faith is found in Hebrews 11:1, *AMPC*.
- "Now faith is..." (Hebrews 11:1). When is faith? Now!
 - Faith is the creative force of Almighty God.
 - The moment you accepted Jesus as your LORD and Savior, faith was there. We're saved by grace through faith (Ephesians 2:8).
 - Anyone who is in Christ is a new creature, a new creation (2 Corinthians 5:17).
 - My son, forget not my teaching. Let your heart keep My commandments (Proverbs 4:20-22).
 - Continuing through old age till death they shall add to you a life worth living (Proverbs 3:2, *AMPC*).

MAKE IT PERSONAL

Let's say it together: "I'm supposed to be healed today." That's God's will. You are supposed to be healed today!

Read Psalm 91 and think about the promises God has made to keep you healthy and safe. Meditate on those and believe He meant them for you, today and every day.

DAY 2 – SPEAK LIFE WORDS FOR HEALING AND GOOD HEALTH

Speak life words for your healing and good health. You choose life by speaking life words. Brother Copeland didn't like to exercise, but when he saw exercise as obedience to The LORD, he started liking it. The LORD is not giving people the flu.

STUDY IT

- I. Speak life words for your healing and good health.
 - BLESS The LORD who forgives you, heals all your diseases, and crowns you with lovingkindness (Psalm 103:1-4).
 - "BLESSED be The LORD who daily loads us with benefits" (Psalm 68:19). This is a daily thing. You need to have faith to claim it.
 - God sent His WORD and healed them (Psalm 107:20).
 - The words that I speak unto you, these are life words (John 6:63).
- II. You choose life by speaking life words.
 - The sower sows The WORD, so The WORD is a seed (Luke 8:11).
 - Bring that seed alive by speaking it.
 - When it gets down into your heart, it will produce after its kind.
 - The seed of The WORD of God is the source of life.
- III. The whole Bible talks about words as seeds.
 - The seeds are words of life or words of death (Deuteronomy 30:19).
 - Don't use words of death and the law of sin and death to express yourself.
 - Don't use words like fantastic or incredible. Use Bible words like marvelous and awesome.
 - A young man kept saying, "I'll never reach 40 years old." He went into a coma a few days before his 40th birthday. Certain spiritual laws had been put into motion that couldn't be reversed at that time.
 - Your words really affect your healing. We can change our condition by changing our words.
 - Gloria said, "In consistency lies the power."

- Brother Hagin said, “You can think thoughts and say them until they get down into your spirit, and they’ll change your life.”
- IV. Brother Copeland didn’t like to exercise, but when he saw exercise as obedience to The LORD, he started liking it. He says, “I’m stronger than I’ve ever been.”
- You are going to have to start exercising now. That’s what will keep you healthy.
 - Healing is different from health.
 - It’s a marvelous thing to get healed. But you can live in divine health and stay well all the time.
 - Gloria says, “If you do what’s right in the natural and you do what’s right in the supernatural, you can live in divine health.”
 - You have to exercise your spirit, emotions, mind, will and body based on the covenant of God.
 - You can find the answers to every area of life in The WORD of God.
- V. The LORD is not giving people the flu.
- Brother Copeland told his family to take the flu shot by believing and confessing God’s WORD, not from an injection. We are redeemed from the curse of the flu (Galatians 3:13; Deuteronomy 28:22).
 - THE BLESSING means to follow God and keep His commandments, so you will live in good health and prosperity.
 - There’s a big difference in THE BLESSING of the law and the curse of the law (Deuteronomy 28).
 - It is not The LORD bringing sickness and every plague upon you.
 - Every sickness and every disease, even those not written down, is a curse, not a BLESSING (Deuteronomy 28:61). God doesn’t make you sick.

MAKE IT PERSONAL

It’s time to examine your vocabulary. Are you speaking life words or death words? It’s especially noticeable in phrases or expressions we have heard and said all of our lives. Phrases like: “That tickled me to death.” “My back is, or my feet are, killing me.” “I’m lucky,” or “I’m not lucky.” Luck does not exist, so replace luck with BLESSED. Finally, the phrase “Take care.” We are instructed in 1 Peter 5:7 to be careful for nothing. Telling someone to “take care” is contrary to God’s WORD.

Listen to yourself and make sure you are speaking life—life that God promised you.

DAY 3 – A LIFE FREE FROM SICKNESS

The Scriptures preached to Abraham, and they are preaching to us. You can be healed today. Dr. Avery Jackson, a neurosurgeon, was raised in Keith Butler's church and learned the Word of Faith. You can be healed right now—just receive it. In 2004, Brother Copeland experienced horrible pain in his back and fell to the floor.

STUDY IT

- I. The Scriptures preached to Abraham, and they are preaching to us.
 - Abraham believed God (Galatians 3:6).
 - The just shall live by faith (Galatians 3:11).
 - If you will harken diligently to the voice of The LORD, these BLESSINGS will overtake you (Deuteronomy 28:1-2).
 - The works of the law are under the curse. The law is not of faith.
 - We are redeemed from the curse of the law. That means we're redeemed from sickness, disease, poverty and weakness.
 - We are to receive the promise of the Spirit through faith (Galatians 3:14).
 - Say: "I'm redeemed!"
- II. You can be healed today.
 - Make this confession and put your physical ailment in the place of asthma.
 - "Asthma is under the curse of the law. Since I am redeemed from the curse of the law, I no longer have asthma; I have healing. I'm redeemed from the curse of asthma. Therefore, I no longer have it."
 - The WORD says you are redeemed from it.
- III. Dr. Avery Jackson, a neurosurgeon, was raised in Keith Butler's church and learned the Word of Faith.
 - He is now on our board of directors.
 - Dr. Jackson gives laughing lessons to patients who are suffering based on: "A merry heart doeth good like a medicine" (Proverbs 17:22).
 - People would begin to laugh, and the pain would ease off and even stop. They received their healing by laughing their way out of it. It will work for you.

- The joy of The LORD is your strength (Nehemiah 8:10).
 - The fruit of the spirit is born into your spirit (Galatians 5:22-23).
 - If you walk in the fruit of the spirit, the devil can't get his hands on you. He has no defense for that.
 - God has not given us a spirit of fear, but a spirit of love, power and a sound mind (2 Timothy 1:7).
- IV. You can be healed right now—just receive it.
- If you suffered with asthma, you're healed in the Name of Jesus.
 - Anyone who had your lungs injured by COVID-19, just take a deep breath. Say: My lungs are full of Jesus. He's the breath in my lungs.
 - Someone asked Brother Copeland, "Will you pray for my arthritis?"
 - He answered, "No, but I will pray for you and will rebuke that disease in the Name of The LORD Jesus Christ of Nazareth."
 - Say: "Christ in me, the hope of glory" (Colossians 1:27). Christ in me heals me now from arthritis and every pain of any kind because I am redeemed from the curse of pain.
 - Now rejoice and give Him thanksgiving.
- V. In 2004, Brother Copeland experienced horrible pain in his back and fell to the floor.
- He began to speak the Name of Jesus.
 - He made the decision he would never have surgery on his back, and he would be pain-free. Now, he is pain-free.
 - Brother Copeland denies the flu the right to stay in his body.
 - He had symptoms, but by the time he began to preach, he was free of all symptoms.

MAKE IT PERSONAL

Do you believe you can live a life free from sickness? It takes a step of faith.

Write down any sicknesses or diseases you are dealing with. Then, beside each one, write the words, "I'm free!" and believe God has freed you by the stripes Jesus took as He approached the cross (1 Peter 2:24). Jesus suffered so you can be free.

DAY 4 – THE EXPLOSIVE POWER OF HEALING AND MIRACLES

Isaiah wrote about Jesus. You shall receive power after the Holy Spirit is come upon you. If you don't know Jesus as your LORD, receive Him now. Repent from all malice and guile, which is deceitfulness.

STUDY IT

- I. Isaiah wrote about Jesus.
 - Isaiah is a mini-Bible. It has 66 chapters like the Bible has 66 books. The whole book is about Jesus.
 - “Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed” (Isaiah 53:4-5)
 - The Hebrew word for *sorrow* is actually *pain*. *Grief is disease*.
 - This is an exceedingly great and precious promise. God has always been a healing God.
- II. You shall receive power after the Holy Spirit is come upon you (Acts 1:8).
 - God is no respecter of persons (Acts 10:34). If He gave one person the Holy Spirit, He will give Him to you.
 - Peter preached how God anointed Jesus of Nazareth with the Holy Spirit and with *dunamis*—power (Acts 10:38).
 - Jesus went about doing good and healing.
 - That's dynamite living on the inside of you getting ready to explode into healing and miracles.
 - A manifestation of Jesus by His Spirit is here.
 - It is the same Jesus, same Spirit, same power, same dynamite, self-energizing, explosive power of healing and miracles.
 - That power is here right now in the form of the Spirit of God.
- III. If you don't know Jesus as your LORD, receive Him now.
 - That's the easiest thing you ever did in your life.

BELIEVER'S VOICE OF VICTORY | BROADCAST NOTES

- Just say, "Jesus, come into my heart. Thank You. You are my Healer, Savior and Baptizer in the Spirit. You made me a new creature." He knows who you are!
- It's easy to receive the filling of the Holy Spirit. All you have to do is yield.
- Gloria accepted Jesus in October 1962 and Kenneth did in November 1962.
 - Later they went to a meeting where an invitation was given to receive the Baptism in the Holy Spirit. They did and spoke in tongues.
- Jesus is the gift to the world.
- The Holy Spirit is the gift to the Church. Jesus said, you will receive power.
- Brother Copeland was flying home that night and was speaking in tongues. When he had to call the airport tower, he was able to switch to English.
- Receiving the Baptism in the Holy Spirit is easy. All you have to do is yield yourself to Him and speak in tongues.

IV. Repent from all malice and guile, which is deceitfulness (1 Peter 2:1).

- A hypocrite is someone who pretends to be something he is not.
- Offer up spiritual sacrifices acceptable to God. Right now, lift up a holy praise sacrifice to Him (1 Peter 2:5).
- He who believes on Him shall not be confounded (1 Peter 2:6).
- You need to straighten things out between you and anything that is a hindrance to your health.
 - That has everything to do with healing. When you are upset, you are not yet ready to receive your healing.
 - You have to believe in your heart that you are healed.
- Healing has to come up from your spirit to your body.
- Jesus was made the sacrificial Lamb and took our place.
 - We've been made the righteousness of God in Him (2 Corinthians 5:21).
- Jesus is our Healer, and He is in us.

MAKE IT PERSONAL

The same dynamite power that worked through Jesus is available to you. Pray and meditate on the power Jesus used as He did miracle after miracle. Use your faith and watch the Holy Spirit as He works through you to administer healing power through your faith.

Ask yourself these questions:

- Am I a child of God? Have I been born again?
- Did the Holy Spirit come to live within me as a guarantee of my salvation?
- Does God want to heal people including me?
- Can I pray the prayer of faith?

If you answered yes, then be assured that your prayers for the sick will be effective!

DAY 5 – RECEIVE YOUR HEALING TODAY

Put healing scriptures on your mirror and read them out loud every day. Faith is the assurance. Be assured that you're the healed. If you are ready to pray the prayer of faith, stand up. Lift your hands if you believe this gospel that is preached to you today.

STUDY IT

- I. Put healing scriptures on your mirror and read them out loud every day.
 - Peter's mother-in-law had a great fever (Matthew 8:14).
 - Jesus rebuked the fever. Fevers can hear.
 - Jesus touched her hand and the fever left her. She got up healed and fixed them a meal.
 - Jesus went about healing all who were sick.
 - "Himself took our infirmities, and bare our sicknesses" (Matthew 8:17).
 - Grace gives healing; faith accepts it.
 - We have to take hold of healing, and so we meditate these scriptures until faith comes.
- II. Faith is the assurance. Be assured that you're the healed.
 - It is the confirmation of our healing and our deliverance from pain or anything else.
 - Faith is the confirmation of the things we hope for.
 - Eagerly expect healing. Faith is the proof of things we do not see and the conviction of their reality.
 - Say: "I am healed whether my body knows it or not. I'm not moved by what I feel. I'm moved only by what I believe, and I'll continue to believe that I'm healed!"
 - Lean on, trust in, and be confident in The LORD with all your heart and mind. Do not rely on your own insight or understanding. Acknowledge Him. Do not be wise in your own eyes.... It will be health to your nerves and sinews, marrow and moistening your bones. (Proverbs 3:5-8, *AMPC*).
 - Are you nervous today? Well, quit it. Don't be wise in your own eyes.
 - What am I going to do in that lawyer's office? Forget about it.

- III. If you are ready to pray the prayer of faith, stand up.
- Say: This is my healing day. This is my receiving day!
 - God needs someone to receive His healing gift.
 - "Whatsoever thing you desire when you pray, believe that you receive it and you shall have it" (Mark 11:24). *Receive* means "to take."
 - Brother Kenneth E. Hagin knew his healing was in Mark 11:23-24. He knew he had to believe it before he felt it. It was that simple.
 - He was completely paralyzed. But he pushed his legs out onto the floor, grabbed the bed post and announced, "I am healed from the crown of my head to the soles of my feet, and I walk."
 - He preached this gospel until he was 86 years old.
- IV. Lift your hands if you believe this gospel that is preached to you today.
- You are ready to take and receive the power of God unto salvation for your spirit.
 - Make this confession: "I believe the gospel that I have heard. I'm ready to receive the power of God now. I confess Jesus Christ as LORD over my life. I receive the power of God to make me sound, whole, delivered, saved and healed now. I act on The WORD of God and receive the power of God. Sickness, disease, weakness and pain, I resist you in the Name of Jesus. You are not the will of God for me. I enforce The WORD of God on you, and I will not tolerate you in my life. Leave my presence now. Get out. I will never allow you back. My days of sickness and disease are over. I am the healed. The power of sickness has been broken forever over my life. Jesus bore my sickness, weakness and pain. I have been redeemed from the curse of the law. I proclaim my freedom in Jesus' Name. I've been made whole in Jesus' Name!"
 - Now act on it. Move. Do something you couldn't do before, because you're healed.
 - Say it loudly, "Thank You, LORD Jesus. I'm healed. I'm healed. I'm well!"
